

VILLA NIRVANA

Contemporary Luxury Villa

Villa Nirvana is a serene temple of design, where bliss and peace are easily realized. In the uniquely 21st-century rental property, unusual architecture and contemporary art set the stage for a visual audacity unprecedented in St. Barth and probably in all the Caribbean. Chic and yet comfortable, Villa Nirvana is a level above.

Swathes of water are a feature throughout this high contemporary home, with cascades and a 22 metre infinity lap pool, there is also an excellent fitness centre. Each bedroom is a cocoon of stylish comfort with a series of terraces for privacy. Views are over the rolling hills down to the blue sea, at night the scene is transformed by the glittering lights of St Jean and its glamorous evening scene.
