

## VILLA WINGS

**ST JEAN, 4 BEDROOM(S)**

Apropos of its name, Villa Wings is perched high on the hill of St. Jean, affording guests a spectacular view of both St. Jean Bay and Pelican Beach. The property's impressive provenance is evident inside and out: the mastery of Olivier Dain Perspectives can be seen from the distinctive sculptural wings that rise from its roof to the ingenious layout and design that maximizes the impact of sea, sky and light. List all you could want in a perfect St. Bart's stay and you'll find it in this property. Comfortable and airy indoor and outdoor living space with a modern aesthetic and all the technology you need. Magnificent heated infinity pool and hardwood deck with unobstructed views of St. Barts' iconic vistas. Four remarkably furnished bedrooms are enhanced by a contrast of white furnishings and bold colors. Each with its own ensuite bathroom, French and American satellite television, digital safe and more. Gourmet chef's kitchen with an indoor dining room that comfortably seats 8 and a one-of-a-kind custom island that extends out to the deck for a remarkable al fresco dining environment.
