

VILLA BLACKSTONE

MARIGOT, 6 BEDROOM(S)

Nestled in the hillside, the brand new Villa Blackstone looks out over the Marigot Bay, a quiet nature reserve with pristine water perfect for snorkeling and swimming. Whether you wish to swim alongside sea turtles in the calm waters of the bay or do a bit of shopping (just fifteen minutes away), Villa Blackstone offers a one-of-a-kind St. Bart's experience with its cozy style and ocean views. There's no better way to take in an ocean view than to be outdoors, and Villa Blackstone provides ample opportunities for outdoor living. Soak up the sun on one of the loungers on the large wooden deck or cool off with a drink under the umbrella-covered outdoor dining room. Inside, the living is lush and easy with sofas, chaise lounge, air conditioning, Wi-Fi, and Apple and French satellite TV. The open living room consists of sitting and dining areas that open wide to the view, allowing for indoor-outdoor living. With wood-paneled walls, a wooden ceiling, and rattan chandeliers, space nods to traditional Caribbean furnishings.
